

June 17, 1957

Eighth Annual Report of the Secretary, Annual Midwestern  
Conference of Parasitologists

Sixty-eight registrants--58 registration fees.

Minutes of the first business meeting, June 11, 1956;  
Zoology Building, State University of Iowa, Iowa City, Iowa.

The meeting was called to order by Presiding Officer William D. Lindquist, and Dr. James E. Ackert was requested to address the assembly. Dr. Ackert dedicated the Eighth annual meeting to the memory of Dr. Chester A. Herrick, deceased, University of Wisconsin. Dr. Ackert discussed the personal life and career of Dr. Herrick from the standpoint of teacher, friend and colleague. He presented a resolution of dedication prepared jointly with Dr. A. C. Walton.

The Conference stood in silence in memory of Dr. Herrick.

A floor resolution that the Secretary be instructed to send the memorial statement to Dr. Herrick's family was seconded and unanimously passed. The Secretary was so instructed.

Reports of the standing committees were called for but, in the absence of vital or new considerations, were not presented.

Dr. Lindquist appointed a meeting place committee of Drs. Mizelle, Chairman, Hoffman and Otto; a Nominating Committee of Drs. Levine, Ch'man, Lewert and Vaughn; and a Program Committee of Drs. Ulmer, Ch'man, Clark and Kruidenier.

Dr. Lindquist called for new business.

\* Dr. L. O. Nolf moved that the Conference establish a permanent <sup>Policy committee</sup> council to consist of the five most recent Presiding Officers of the Conference, on a rotational basis. The Chairman of the Council to be the Presiding Officer of the immediately preceding year. A permanent, responsible policy committee would thus be established. The current council would include Drs. W. D. Lindquist, Chairman; Cable, Walton, Porter and Nolf.

The motion was seconded by Ulmer and passed unanimously.

Mr. Hogar Matson, Denmark and Dr. Rocha, Brasil were introduced.

Dr. Richard Porter suggested that the Conference plan to meet at one of the available biological stations. His suggestion was directed to the Committee on Meeting Places.

Dr. Lysenko, Wisconsin, moved that a resume of Dr. Herrick's career be prepared by Dr. Ackert and submitted for publication to the Journal of Parasitology on behalf of the Midwestern Conference.

Dr. Ackert requested that Dr. Lysenko co-author this memorial.

The motions were seconded and unanimously adopted.

Dr. Lindquist adjourned the meeting after appropriate floor action.

The second business meeting was called to order at 11 a.m., June 12, 1956, in the Shambaugh Auditorium.

The Treasurer's report was presented and approved.

The Nominating Committee recommended Dr. J. E. Ackert as Presiding Officer for 1957. It was moved, seconded and unanimously voted that Dr. Ackert act as Presiding Officer for 1957.

Dr. Mizelle, Meeting Place Committee, recommended that the Conference consider the University of Michigan Biological Station at Cheboygan, Michigan and the University of Michigan School of Public Health in Ann Arbor as possible meeting sites for the 1957 Conference. Floor discussion was inconclusive. The Secretary was directed to poll the membership by mail.

Dr. Ulmer, Program Committee recommended that the program be held in abeyance until the meeting place was determined because of the obvious necessity for correlation. It was so voted.

No new business was brought to the floor and the meeting was adjourned with a vote of appreciation and thanks to the local committee of Dr. Nolf and his students for the splendid accommodations afforded the Conference.

*An afternoon barbecue was offered by Dr. L. O. Nolf, local chairman, and gratefully attended by conference members - vote of thanks now offered*

*Respectfully submitted,*

*F. J. Kundener*

ANNOUNCEMENT  
of the  
NINTH ANNUAL MIDWESTERN CONFERENCE  
of  
PARASITOLOGISTS

The ninth Annual Midwestern Conference of Parasitologists will be held on June 17-18, 1957 in the School of Public Health on the campus of the University of Michigan in Ann Arbor, Michigan.

A banquet is planned for the evening of June 17. Dr. Asa C. Chandler will discuss aspects of his experiences as a parasitologist in Egypt. Dr. Chandler's talk will be accompanied by kodachrome illustrations.

A panel discussion of "The presentation of scientific papers" will be held on the morning of June 18 in the School of Public Health auditorium. Dr. J. E. Ackert, Presiding Officer, will act as moderator.

Registration will be in the School of Public Health (museum, second floor). Demonstrations will be presented Monday, June 17, from 1-4 p.m. in rooms 2036, 2054, School of Public Health building. Business meetings will be held at 4 p.m. on June 17 and at 9 a.m. on June 18 in the School of Public Health auditorium.

Conference costs will be as follows:

Registration fee	10.50
Banquet	3.30 (incl. tip). Smorgasbord. Tower Hotel.
Housing	3.00 per person per night. South Quadrangle. (single, male)

It is requested that participants prepare 100 duplicated copies of abstracts of each demonstration for interested members of the group.

TEAR HERE

---

Please complete and mail to Dr. Richard J. Porter, School of Public Health, University of Michigan, Ann Arbor, Michigan. It will assist Dr. Porter if this is done before June 1, 1957.

Title of Demonstration: \_\_\_\_\_

Author(s): \_\_\_\_\_

Official address: \_\_\_\_\_

Facilities needed: linear desk feet \_\_\_\_\_. Microscopes, dissecting \_\_\_\_\_, compound \_\_\_\_\_, oil immersion \_\_\_\_\_.

Other facility: \_\_\_\_\_  
\_\_\_\_\_(no.) dormitory reservation(s).

I am interested in participating in (1) a tour of the North Campus \_\_\_\_\_  
nuclear reactor \_\_\_\_\_  
(2) a picnic on the Huron River \_\_\_\_\_

(Please indicate your interest in the above).

NINTH ANNUAL MIDWESTERN CONFERENCE OF PARASITOLOGISTS

University of Michigan School of Public Health

June 17 and 18, 1957

Monday, June 17:

- 9 AM - 3 PM REGISTRATION - Museum, second floor.
- 1 PM - 4 PM DEMONSTRATIONS - Museum and rooms 2036 and 2054
- 3:30 PM FILMS (N. D. Levine and P. R. Fitzgerald) - Auditorium.  
There will be a rerun Tuesday at 8:30 AM, if there is demand.
- 4 PM BUSINESS MEETING - Auditorium
- 6:30 PM DINNER (Punctually, please) Smorgasbord in the Golden Apples Room of the Tower Hotel, 300 S. Thayer. Serve yourself, including dessert, from the buffet table. They expect you to go back for more. Beverage and rolls will be served at the tables. Guests are welcome. Obtain tickets at registration, before 1 PM if possible. Price \$3.30, including tip.
- 8:15 PM ADDRESS by Dr. A. C. Chandler, Angell Hall, Auditorium A.

Tuesday, June 18:

- 9 AM BUSINESS SESSION - School of Public Health Auditorium.
- Ten minutes after the close of the business session -  
PANEL DISCUSSION: The Presentation of Scientific Papers -  
Auditorium.

TOURS AND VISITS:

The Arboretum peony garden, about one block east of the School on Washington Heights, is just past its peak. The University Medical Center, north of the School is in process of development into what, it is claimed, will be the largest such connected with a university.

Dr. Henry Van Der Schalie will be "at home" to visitors Tuesday afternoon in his schistosome laboratory, University Museums Building.

A guided tour of the nuclear reactor will start from the information desk in the Phoenix Memorial Laboratory, North Campus, Tuesday at 2 PM. Cars will leave the Women's League at 1:30 for those interested.

A guided tour of the Parke Davis plant in Detroit can be arranged for Tuesday afternoon if there is sufficient demand. If you have any interest in this, please make it known at the registration desk before 4 PM Monday.

**PARKING:**

Special guest permits for University parking lots are available at South Quadrangle and at the Conference registration desk. An accompanying leaflet explains the system. Please note that lot #38, behind the Administration Building, is restricted. The Parking Structure on Church Street, just north of S. University Avenue is recommended for Conference members.

**MEALS:**

The cafeterias in the Michigan Union and the Women's League are open. Restaurants and soda fountains will be found on State Street, near North University Avenue, and on South University Avenue, between East University and Forest. Ask at the registration desk about other restaurants.

**GENERAL INFORMATION:** If you have questions at odd hours, do not hesitate to call R. J. Porter, Normandy 3-1511, ext. 2381, or Normandy 2-3011.

NINETH ANNUAL MIDWESTERN CONFERENCE OF PARASITOLOGISTS

University of Michigan School of Public Health

DEMONSTRATIONS - June 17, 1957

1. R. M. Cable and Frank M. Fisher, Jr. - Purdue University  
A Fourth Species of Neoechinorhynchus from turtles.
2. Richard B. Crandall - Purdue University  
Aspects of the life cycle of Heronimus chelydrae
3. Ernest J. Huggins - South Dakota State College  
Some Parasites of Fishes in South Dakota
4. B. J. Jaskoski - Loyola University  
A Fatal Nematodiasis in the Camel
5. G. W. Kelley and L. S. Olsen - University of Nebraska  
A method of establishing Ascaris suum within the intestine of swine
6. L. S. Olsen and G. W. Kelley - University of Nebraska  
The uncertain classification of Globidium gilmthi a parasite of sheep
7. H. G. Sen and G. W. Kelley - University of Nebraska  
Distribution of alkaline phosphatase in Ascaris suum
8. F. J. Kruidenier and C. R. Peebles - University of Illinois  
A New Species of Syphacia
9. N. D. Levine and P. D. Beamer - University of Illinois  
Platynosomum fastosum in an Illinois cat.
10. N. D. Levine, R. E. Bradley, D. T. Clark and S. Kantor - University of Illinois  
The relation of pasture rotation to acquisition of gastrointestinal nematodes by sheep.
11. Thomas D. Malewitz, W. C. McGuire and Neal F. Morehouse - University of Florida and Dr. Salsbury's Laboratories  
Blackhead Production by Cloacal Inoculation of Kidney Tissue
12. C. R. Peebles - University of Illinois  
An Electron Microscope Study of Rhabditis strongyloides (Nematoda)
13. Lewis Peters and Donald Wootton - Purdue University and U. of M. Biol. Stn.  
Miracidial epidermal cells of gorgoderid trematodes
14. Tulio Pizzi - University of Chicago  
Pneumocystis carinii in the human lung.
15. J. Allen Scott, Etta Mae Macdonald and John H. Cross, Jr. - U. of Texas  
Filarial parasites of the Rice Rat

16. K. S. Singh and R. M. Lewert - U. of Chicago  
Preliminary observations on the chemical nature of a metacercarial cyst
17. J. J. Stockton - University of Michigan  
Axenic Acanthamoeba sp. in Tissue Culture
18. Lyell J. Thomas - U. of Illinois  
What is it? From the Crayfish.
19. Levin, Norman L. - U. of Illinois  
Life history studies on Poroecaecum ensicaudatum an avian Nematode
20. Clark, David T. - Michigan State University  
Beta Zinc Sulfide inclusions in nematodes
21. George Garoian - S. Illinois University  
The Thiry fistula technique for helminth research
22. George J. Jackson and Robert M. Lewert - U. of Chicago  
Immune Precipitates on Trichinella spiralis Larvae Studied in vitro  
with Fluorescent Serums.
23. S. E. Leland Jr., J. H. Drudge, Z. N. Wyant, G. W. Elam - U. of Kentucky  
Strain Variation in the Response of Sheep Nematodes to the action of  
Phenothiazine. III. Field studies.
24. Robert M. Lewert, Chang Ling Lee - U. of Chicago  
Notes on the distribution of various reactants in serums from individuals  
infected with Schistosoma mansoni
25. Robert M. Lewert, Chang Ling Lee and George J. Jackson - U. of Chicago  
A note on the antibody nature of circumoval precipitins in Schistosoma  
mansoni
26. Gordon P. Lindblom - Mich. State University  
Some Aspects of the Carbohydrate Metabolism of Certain Trichomonads.
27. William D. Lindquist - Michigan State University  
Ascarid Liver Lesions
28. William D. Wilson - Michigan State University  
Some Aspects on Chick Mortality with Pure and Mixed Infections of Eimeria  
tenella and Eimeria necatrix
29. FILM. Fitzgerald, Paul R. - U. of Illinois  
Diagnosis and Treatment of Bovine Trichomoniasis
30. FILM. M. B. Mirza (presented by N. D. Levine) - University of Illinois  
A hyperendemic focus of Dracunculus medinensis in India.
