

Report of the Secretary-Treasurer 1961

Minutes: Twelfth Annual Midwestern Conference of Parasitologists.

Purdue Univ.

First business meeting

Presiding Officer, Dr. Francis Kruidenier, called the meeting to order at 4:15 p.m., June 15, 1960, and asked for the minutes and financial report of the Eleventh Annual Midwestern Conference of Parasitologists to be read. Motion was made and seconded to approve minutes and financial report. Motion was passed.

Presiding Officer Kruidenier announced the following:

1. Policy Committee for 1960-1961. F. J. Kruidenier, Chairman; G. F. Otto, S. R. LaRue, J. E. Ackert, and W. D. Lindquist. Presiding Officer and Secretary-Treasurer for 1960-1961 will sit in as ex officio members.
2. The statement of "Objectives and Organization" of the Conference is in the process of being revised by the Policy Committee.
3. Dr. J. E. Ackert had asked for two changes in the Conference's Constitution. These are: 1) to change the title of Presiding Officer to President, and 2) to change the term of office of the Secretary-Treasurer from two years to three years.
4. The following ad hoc committee:
 - Nominating: W. D. Lindquist, Chairman
C. E. Venard
R. M. Cable
 - Meeting Place: C. E. Venard, Chairman
George Kelley
W. J. Bemrick
 - Program: J. L. Crites, Chairman
R. W. Hull
R. M. Cable
 - Resolutions: Raymond Shumard, Chairman
William Coil

Our local host directed the attendants to the banquet hall. Following the banquet, Dr. Paul Weinstein spoke on "Growth of Nematodes".

Meeting was adjourned.

Second business meeting

Meeting called to order June 16, 1960, at 11:00 a.m. following the morning session of the "International Symposium on Growth", and Presiding Officer Kruidenier asked for reports from the ad hoc committies.

Meeting Place: C. E. Venard, Chairman. The committee recommended that the 1961 meeting be held at Ohio State University, Columbus, Ohio. The Committee further recommended that the 14th AMCOP meeting (1962) be held at the University of Nebraska, Lincoln, Nebraska; and the 15th AMCOP meeting (1963) be held at the University of Minnesota, St. Paul, Minnesota. Motion was made and seconded that the 13th AMCOP meeting be held at Ohio State University. The motion passed.

Program Committee: J. L. Crites, Chairman. The committee considered several topics for a symposium and recommended that the program for the 13th AMCOP meeting be a symposium on immunological aspects of parasitism. Motion was made, seconded and passed to accept the committee's recommendation.

Nominating Committee: W. D. Lindquist, Chairman.

Nominations were:

For Presiding Officer: Norman D. Levine
George Kelley
Max McCowan

Voting was by written ballot:

Norman D. Levine elected.

Resolutions Committee: W. H. Coil reported for the Chairman, Roy Shumard. Appropriate resolutions were made and passed on by the Conference.

Meeting was adjourned.

David Clark

David T. Clark
Secretary-Treasurer

HOUSING

Dormitory rooms will be available for the meetings of the AMCOP at the Ohio State University. They will be in Park Hall, 110 W. Eleventh Avenue. Registration for rooms can be made after 4 o'clock on June 11, at Park Hall. Room costs are \$3.50 per person per night for double rooms and \$5.00 for single rooms. There will be rooms for married couples. We ask that you fill out the reservations on the blank provided below for both the rooms and for the banquet. We need these reservations in order to anticipate the number of people concerned. Please return these blanks before May 25, to:

John L. Crites
Department of Zoology & Entomology
1735 Neil Avenue
The Ohio State University
Columbus 10, Ohio

Housing

(Indicate below type of Housing)

Name: _____

Single Room: _____

Room for two: _____

(Preferred room-mate): _____

Room for married couple: _____

Will arrive June 11 or June 12: _____

Banquet Reservation:

Number _____

Price \$2.50 per person.

- Menu -- Appetizer - Fruit Cup
- Salad - Sliced tomatoes with dressing, and relish trays on table
- Meat - Baked Steak
- Potatoes - Baked, with sour cream dressing
- Vegetable - Green beans, with mushrooms and almonds
- Dessert - Cherry pie ala-mode
- (Rolls, coffee, tea or milk)

DEMONSTRATIONS

Name: _____

Title: _____

Microscopes	Number needed
Compound -----	_____
Oil immersion lenses -----	_____
Stereoscopic Binocular Scopes -----	_____

Return this before May 25 to:

John L. Crites
Department of Zoology & Entomology
1735 Neil Avenue
The Ohio State University
Columbus 10, Ohio

Demonstrations will be held in Rooms 65, 67 and 77 in the Botany & Zoology Building, 1735 Neil Avenue. They will begin between 1:00 and 1:30 P.M. on the afternoon of June 12, 1961.

THIRTEENTH ANNUAL MIDWESTERN CONFERENCE OF PARASITOLOGISTS

THE OHIO STATE UNIVERSITY

June 12-13, 1961

PROGRAM

June 12	9:30-12:00	Registration, Room 100 Botany & Zoology Building (1735 Neil Avenue)
	1:00-4:00	Demonstration session, Rooms 65, 67, and 77 in Botany & Zoology Building
	4:00	Business meeting, Room 100 Botany & Zoology Building
	6:30	Banquet
	8:00	Address: "Parasitology - Old and New" by Dr. Benjamin Schwartz
June 13	8:45	Business meeting, Room 100 Botany & Zoology Building
	9:00	Symposium: "Immunology and Serology in Parasitology"

Symposium Speakers

Dr. Frans C. Goble, Ciba Pharmaceutical Products Inc.
"Recent Advances in Immunology of Hemoflagellates"

Dr. Irving G. Kagan, Communicable Disease Center
"Agar-gel Techniques with Parasitological Material"

Dr. Richard J. Porter, University of Michigan
"Fundamental Aspects of Antibody Formation"

Dr. Ralph E. Thorson, University of Notre Dame
"Physiological Basis of Protective Immunity to Helminth Infections"

DIRECTIONS FOR REACHING CAMPUS: Persons entering Columbus from the east or west will enter on Route 40. They should drive toward the center of the city and turn north on N. High Street or the Sandusky Street - Olentangy Road freeway. They should follow either of these routes north until they reach the campus. Persons entering from the north or south will enter on High Street. They should stay on High Street until they reach the campus.

MEALS: Pomerene Refectory is very near to Park Hall, this is a cafeteria and it will be open on Monday and Tuesday. The Ohio Union will also be open and it has a good cafeteria. For those arriving on Sunday evening, there are several restaurants on High Street bordering the campus on the west. There is one, "Mr. Roberts", south of the campus on Neil Avenue.

AMCOP Demonstrations

Room 65, B. & Z. Building Ohio State University, June, 1961

1. Andersen, Ferrar L. and Norman D. Levine., Univ. of Illinois.
Tritrichomonas batrachorum from a hog-nosed snake.
2. Clark, David T., Michigan State Univ.
Eimeria tenella infections in gnotobiotic animals.
3. Crowl, Robert M., St. Lawrence Univ.
Developmental stages of a parasitic water mite.
4. Gingrich, Richard E., Ohio State Univ.
Acquired humoral immune response of the large milkweed bug, Oniopeltus fasciatus (Dallas), to the bacterium Pseudomonas aeruginosa (Schroeter) Migula.
5. Hansen, M. F. and Bartel, M. H., Kansas State College., Manhattan.
Microfilariae fo Micipsella brevicauda and associated cysts from the black-tailed jackrabbit.
6. Kelley, George W. and Fahri Sayin, Univ. of Nebraska.
Reduction of migrating Ascaris suum with thiabendazole.
7. Krushnamurti, P. V., D. Peardon and A. C. Todd., Univ. of Wisconsin.
The occurrence of a Plasmodium in Wisconsin chickens.
8. Leland, Stanley E., Jr., Univ of Kentucky.
The in vitro cultivation of parasitic nematodes of domestic animals.
9. Levine, Norman D., Carroll L. Birch, William C. Dulowy and Robert E. McKinney, Univ. of Illinois.
Rhabditis axei, a pseudoparasite of the dog.
10. Levine, Norman D., Virginia Ivens, Thomas R. B. Barr and B. J. Verts. Univ. of Illinois.
The nematode, Skrjabinogylus chitwoodorum, in skunks in Illinois.
11. Schaeffler, Wilhelm F., Miodrag Ristic and Julius P. Kreier., Univ. of Illinois.
Theileria sp. in a white-tailed deer.
12. Worley, David E. and Paul Thompson. Parke, Davis and Company.
Experimental trichostrongyloidiasis: Obeliscoides cuniculi in the dutch rabbit.

AMCOP Demonstrations (Continued)

Room 77, B. & Z. Building

13. Coil, William H. Univ. of Nebraska.

Shibleya inermis, a tapeworm pathogenic in the intestine of the dowitcher.

14. Coil, William H. Univ. of Nebraska.

Rare and little known families of trematodes.

15. Garoian, George. Southern Illinois Univ.

The lungfluke, Paragonimus, from red and gray foxes in Illinois.

16. Graves, Carol Jean and William H. Coil. Univ. of Nebraska.

Studies on the egg membranes of the genera. Gyrococelia, Infula, and Diplophallus.

17. Hall, John E. and Alice E. Groves. West Virginia Univ.

Studies on virgulate xiphidiocercariae from Notocris dilatatus and their entry into arthropod second intermediate hosts.

18. Ogren, Robert E., Dickinson College, Carlisle, Pa.

Cellular structures in immature oncospheres of the tapeworm, Hymenolepis diminuta.

19. Otero, Joseph G., University of Michigan.

Effect of S. mansoni cercarial extracts on HeLa cells.

20. Waitz, J. A., Univ of Idaho.

Ultra structure of larval Hydatigera taeniaeformis.

21. Williams, Russell R., Ohio State Univ.

Some trematodes from the pink cave bat, Myotis Sodalis. Miller and Allen.

Room 77

23. Kagan, Irving A., Communicable Disease Center.

Agar Gel techniques.

24. Meela, Redger, Ohio State Univ.

Mesquites used for investigation at Ohio State.

Room 79, B & Z Building

22. Tidd, Wilbur M., Ohio State Univ.

Some living life history stages of a parasitic
copepod, Lernaea cyprinacea.

To: American Society of Parasitologists

From: Annual Midwestern Conference of Parasitologists

Subject: Annual report of A.M.C.O.P. to Council

The Thirteenth Annual Midwestern Conference of Parasitologists was held June 12-13, 1961, at Ohio State University. Dr. Norman D. Levine presided. There were 88 members in attendance and 44 demonstrations were presented.

Dr. Benjamin Schwartz was guest speaker, and he entertained all with his talk on "Parasitology, Old and New".

A symposium on immunology and serology in parasitology was held the second day. Speakers and their subjects are listed below:

Dr. Frans C. Goble

"Recent Advances in Immunology of Trypanosomes"

Dr. Irving G. Kagan

"Agar-gel Techniques with Parasitological Material"

Dr. Richard Porter

"Fundamental Aspects of Antibody Formation"

Dr. Ralph E. Thorson

"Physiological Basis of Protective Immunity to Helminth Infections"

Dr. George Kelley, Jr. was elected Presiding Officer for 1962, and Dr. David T. Clark was elected for a second term as Secretary-Treasurer.

The 1962 meeting of the Annual Midwestern Conference of Parasitologists will be held at Lincoln, Nebraska, in May. At this meeting a symposium on the biochemistry of parasites is planned. Dr. Max C. McCowen is program chairman.
